Issue 34 – July 2008

Remaining Working Bees for 2008

As usual all are welcome to join us for a great weekend at Ben Ricketts Environmental Preserve to socialise and bush regenerate and repair, depending on your wish!

July 26 & 27 Put it in your diary now!

Nov 1 & 2 with AGM on 2nd November

Let Hyone know that you are coming to the July Working Bee at Ben Ricketts Environmental Preserve. As usual dinner will be provided Saturday night. If you are there for Friday night there will be pasta and salad at Pallin's place. If the weather is reasonable we will have a campfire. For further information contact Hyone at bookings@benricketts.org.au or Rob Pallin at comealooong@benricketts.org.au

See you all at the July working bee at Ben Ricketts Environmental Preserve

The May Working Bee at Ben Ricketts Environmental Preserve was again a great success. Thank you all who participated.

The log splitting weekend was a great success with the woodshed nearly full.

Peter Bock and Rob Pallin collected 45 concrete blocks donated by Janet Fairlie Cuninghame and Peter transported them to Ben Ricketts Environmental Preserve. Thanks Peter. They are very heavy!

Bookings! There are bookings available during August and September. This is great time to walk the Barren grounds and early September the flowers should be great.

The Illawarra Fly

The Illawarra Fly is now open at Knights Hill. What effect this will have on Ben Ricketts Environmental Preserve we do not know. See it at www.illawarrafly.com Nancy and Rob and Bruce Taylor visited the Illawarra Fly and although it is still a bit new it is worth a visit.

Other News

If you have any other news of interest to Ben Ricketts Environmental Preserve members and friends please let me know.
