AGM 2008

Most Shareholders attended the 2008 AGM and *Sandy – the cow who came home* book launch. The weather was kind to us and over seventy people picnicked on the grass while Jack Thompson read the book. We sold over half the printing on the day with copies being signed by the author Penny Osterhaus. A new printing is being done to keep up with demand!

Bookings! Bookings are now open for next year and filling up fast. Now is the time to make sure your weekends and midweeks are booked at Ben Ricketts Environmental Preserve. Remember midweek bookings are really cheap and quiet at Ben Ricketts Environmental Preserve.

Sandy - The cow who came home

The first printing is now sold out! If you did not get your copies do not despair as a new printing is being organised. To ensure that you or your friends do not miss out place your orders with Hylene now. An order form is available at www.benricketts.org.au
