### **Issue 44 March 2010**

#### **Working bee reminder**

This weekend, 13<sup>th</sup> and 14<sup>th</sup> March is another Ben Ricketts working bee. There are lots of things need doing including checking fences, putting rubbish in the skip, cleaning gutters, clearing roof of the goatshed and chook house, bush regeneration and lots more! There will also be some painting needing finishing off in the good looking Communal Area.

Let Hyone know you are coming for catering and accommodation purposes. If you are going to be there Friday night for the Pallin's pasta restaurant let her know also.
