Working Bee 24th and 25th July 2010

Do not forget the working bee at Ben Ricketts Environmental Preserve next weekend. We will need all hands on deck!

Let Hylene know that you will be there. For those who will be there Friday night there is the customary dinner at Pallin's at 7pm. Tell Hylene also if you will be there for that also as Nancy and Rob will be arriving late afternoon.

Please also put the AGM weekend in your diary as it is earlier than normal this year.
