Accommodation working group

Keren and Nita would like some people to join them to help ensure the cabins are in working order and occasionally help when some purchasing of bits and pieces is needed. There is no cleaning or laundry involved. If you enjoy using the cabins and can only help occasionally here is a good way to be involved. Don't be shy!

If you're coming to the AGM and you haven't been to a working bee this year, please think about coming on Saturday to help out, and enjoy a friendly dinner in the evening in our beautiful new communal area. Let Hyone know you are coming.

There is a core group of people who come to working bees and it would be nice to be able to share the load. It's important that everybody does their bit to keep BREP going, and this is a good opportunity if you are already planning to come to the AGM. We hope to see you there.

Brochures
