The Minister for the Environment, The Hon Bob Debus signed the Ben Ricketts Environmental Preserve Voluntary Conservation Agreement yesterday, 21st December.

This is an historic moment for Ben Ricketts Environmental Preserve and one we have been working towards for almost three years.

Thanks to all the National Parks and Wildlife staff that put in a major effort to finalise it to be effected this year.

We will look at having a celebration sometime in the New Year.

Merry Christmas to all and we trust that 2007 will be a good year for everyone.
