Fun at Ben Ricketts 3rd and 4th March 2007

After some good rains Ben Ricketts Environmental Preserve is looking great!

Come and join in the fun and get some work done in the bush and on the cabins.

There will be some bush regeneration, some painting, some cleaning up around the place, some chatter and some eating and drinking.

Bring some tools, your own sheets and pillowslips and personal gear. Ben Ricketts will supply the evening meal on Saturday night. If you will be there Friday night for pasta at the Pallin's let at us know.

Let Hyone know you are coming on 02 42360208 or by email on bookings@benricketts.org.au

Looking forward to seeing you there!

News

We have applied to Department of Environment and Conservation for some funds for bush regeneration above the road and below the road above the swamp on Swamp Creek. The Board has agreed to pay for some of the work not covered by this grant and to speak to other funding sources as well. We hope we can get this work done soon.

Later dates for 2007 working bees. Put them in your diary now!
