Issue 29 - July 2007

Winter Working Bee

The next working bee at Ben Ricketts Environmental Preserve will be next weekend 21st and 22nd July 2007.

Please let Hyone know you are coming. Free accommodation, bring your own sheets or sleeping bag and personal gear and your own breakfasts and something to share with others for lunch.

New Works

All shareholders have received new draft plans for Greensleeves Manor, Duncania and a Communal Area. Once these are approved or modified work will start on the construction. We might have a sheltered area and official opening for the November AGM!

Bush Regeneration

The bush regeneration in the Conservation Area and funded by the Department of Environment and Climate Change and Ben Ricketts Environmental Preserve Pty Ltd is progressing well and will continue for three years.

Bookings

The cabins are all looking great, so make a weekend booking to snuggle up in front of the fire with your favourite person. There are still some weekends available and several mid weeks also.

Future dates

Working Bee 3rd and 4th November 2007 with the AGM on the Sunday.

Dates for 2008 will be announced later.
