November Working Bee and AGM

The weekend of 3rd and 4th November will be the last working bee for the year. On Sunday 4th at 12 noon will be the AGM of Ben Ricketts Environmental Preserve Pty Ltd. All are welcome. Please let Hylene know if you are coming for the weekend so we can organise accommodation and dinner for Saturday night.

As usual lunches are shared and please bring something to contribute. Sunday lunch will be held at the end of the AGM.

July Working Bee

The last working bee was very successful with more bush regeneration and work around the cabins and the house.

Shareholder News

Jeanne Crozier unfortunately had a fall and broke her hip. Apparently her new hip is doing well and she is planning on being at the AGM. See you then Jeanne!

Get your bookings in early for the cabins as summer bookings are filling up fast. Plan a few visits and don't forget Ben Ricketts can be a great place in winter. Coming home from a walk to a warm fire and time with friends is very special.
